CONCERT NEEDS & EQUIPMENT RIDER
CAMP ADDENDUM

HOUSING
Please provide a private room/bunk and private bathroom for Yancy and Road Manager. Please discuss if bedding and towels are provided by the camp or if they need to brought. Due to Yancy's travel schedule we may have to ask you to provide the necessary bedding, blankets, pillows and towels. This can be decided once you discuss the available arrangements with our office.

IRON AND IRONING BOARD
Please provide an iron and ironing board for the length of our stay.

MERCHANDISE SCHEDULE
Please go over the schedule with us prior to arrival or upon arrival and go over when the merchandise table can be open and when it needs to be closed. Please provide at least ONE (1) person to assist in the selling of Yancy's merchandise at each of these times.

INTERNET
Due to the nature of doing business while on the road please let us know ahead of time if there is internet we can access while at your camp (using our computer via wi-fi or plugging into an ethernet cable). If for whatever reason there is not internet available onsite please let us know how far of a drive to a place in town where we can get the internet access needed.
