

Yancy Ministries wants to help you reach kids and families during this season of social distancing. Church-At-Home is the new normal for the next few weeks. Here are some guidelines for how you can make our songs and worship resources available to those you serve:

- **Build an audio playlist of worship songs** that you use in your ministry. With kids at home for an extended time, fear, stress, and the unknown will be impacting family's lives. I promise that familiar worship music can help.

- 1) Use the site [Soundgood.co](https://www.soundgood.co) to build a playlist of your recently used worship songs.

- 2) Push the list to all the different platforms like Apple Music, Spotify, YouTube Music and more.

- 3) Share the link to the platform playlists you have made with your families.

- 4) *Family use accounts will cover licenses for the music being played for personal use. This is a FREE resource to your church to put music in the hands of your families.*

- **Use Yancy audio &/or video in a streaming church service for kids.**

If the song fits the criteria below, Yancy Ministries is granting a 60 day wavier of streaming licenses for churches and children's ministries. This wavier begins on March 18th and ends on May 17, 2020.

- 1) Discover if the Yancy recording you would like to use is a song written by Yancy or by another songwriter. (See following lists)

- 2) The song use must be for streaming and NOT for download.

- 3) If Yancy wrote the song, you have temporary permission to do the following:

- Use song audio &/or video inside of a kid's church or service video

- Amount of Yancy music should be 33 percent or less of the video
- Text for Yancy/Kidmin Worship Songs must be at the beginning &/or end:

"Fill in Song Title Here" by Yancy
Social Follow: @YancyNotNancy
YancyNotNancy.com

- *Text for Little Praise Party* songs must be at the beginning &/or end:

"Fill in Song Title Here" by Yancy & Little Praise Party
Social Follow: @YancyNotNancy
YancyNotNancy.com

4) If Yancy DID NOT write the song, here is some helpful information:

- Although we own the masters for audio and video we do not own the writing of the song and therefore can not give you full permission to use those songs. You must have permission from both the songwriter (various) and the recording/video owner (Yancy Ministries).

- This is a great time to make sure your church has the **Streaming Add-On license from CCLI**. This is in addition to your basic CCLI license. With this Streaming Add-On license, you have songwriter rights to stream over 300,000 worship songs. As you report the songs you use in your streamed kid's church lessons or services to CCLI, this helps songwriters get paid for your usage of their songs.

- If you don't have the Streaming Add-On license from CCLI, you will need to contact the song publisher for each song you want to use. That can be very time consuming and we suggest the CCLI add-on license.

- Once you have the songwriter permission, you have our temporary permission and can do the following:

- Use song audio &/or video inside of a kid's church or service video
- Amount of Yancy music should be 33 percent or less of the video
- Text for Yancy/Kidmin Worship Songs must be at the beginning &/or end:

"Fill in Song Title Here" by Yancy
Social Follow: @YancyNotNancy
YancyNotNancy.com

- *Text for Little Praise Party* songs must be at the beginning &/or end:

"Fill in Song Title Here" by Yancy & Little Praise Party
Social Follow: @YancyNotNancy

COPYRIGHT REMINDER:

You do not have permission to upload our song videos alone to any App, Vimeo, YouTube, Facebook, Website, etc. However, there are systems in place to cover your families watching the videos for personal use from YouTube so linking to those is a great option.

Thank you for respecting copyrights, supporting artists and creators and using the options above so that TOGETHER we can impact many children and parents in the coming weeks.

Although we are granting the above waiver for this season some of you have asked how you can give and support our ministry in these times. You can make a donation online at YancyMinistries.com/give It is truly our joy to be a blessing to your Kidmin and the families you are reaching. We look forward to that continuing in the days to come.

Let's make Jesus loud!
